17.00-18.00 CIMA Distinguished Practitioner Lecture
Bill Connell
“Strategic Risk”
Bill Connell, former Director of Risk Management at BOC and Chair of the Professional Accountants in Business Committee of IFAC will address why strategic risk is critical to organisations and what strategic risk is in an organisation. He will particularly consider risk appetite using a BOC case study and will link strategic value analysis to strategic risk. Finally, he will address how to get strategic risk on the Board Agenda and discuss the CIMA Strategic Scorecard as a developing tool.

18.15-20.30 RECEPTION/BUFFET – Senior Dining Room, 5th Floor, Old Building
