

## ROBIN ELIZABETH MANSELL

### ADDRESS

---

Professor Robin Mansell  
Department of Media and Communications  
London School of Economics and Political Science  
Houghton Street, London WC2A 2AE UK  
t +44 (0) 20 7955 6380  
e [r.e.mansell@lse.ac.uk](mailto:r.e.mansell@lse.ac.uk)  
w [www.lse.ac.uk/collections/media@lse/whosWho/robinMansell.htm](http://www.lse.ac.uk/collections/media@lse/whosWho/robinMansell.htm)

### PERSONAL

---

Date of Birth:	3 January 1952
Citizenship:	Canadian, British
Family	Partner
Home	1a Offham Road, Lewes, East Sussex BN7 2QR UK (t. +44 (0) 1273 478930)

### EDUCATION

---

PhD (1984)	PhD in Communication, Simon Fraser University. Dissertation: 'Industrial Strategies and the Communication/Information Sector: An Analysis of Contradictions in Canadian Policy and Performance', SSHRC Doctoral Fellowship
MA (1980)	MA in Communication, Simon Fraser University
MSc (1976)	MSc in Social Psychology, London School of Economics and Political Science
BA (1974)	BA Honours in Psychology, University of Manitoba
CEng (1998)	CEng certificate (Chartered Engineer - Electrical), leading to Fellow membership with Institution of Engineering and Technology (IET) London

### EMPLOYMENT

---

Professor	New Media and the Internet, Department of Media and Communications, LSE (2007-)
Professor	Dixons Chair in New Media and the Internet, Department of Media and Communications, LSE (2001-2006)
Professor	Chair in Information and Communication Technology Policy, SPRU - Science and Technology Policy Research Unit, University of Sussex (1994-2000)
Reader	SPRU - Science and Technology Policy Research Unit, University of Sussex (1988-94)
Administrator	Organisation for Economic Cooperation and Development (OECD), Information, Computers and Communication Policy Division, Paris (1986-7)
Research Associate	Programme on Information and Communication Technologies (PICT), Economic and Social Research Council (ESRC), London (1985-6)

Research Associate William H Melody & Associates consultancy, Vancouver (1984-5)

## VISITING APPOINTMENTS

---

Honorary Professor	SPRU - Science and Technology Policy Research Unit (SPRU), University of Sussex (2001-2011)
Honorary Professor	LINK (Learning, Information, Networking Knowledge) Centre, Graduate School of Public & Development Management, University of Witwatersrand, Johannesburg (2005-2010)
Research Associate	Canadian Institute for Advanced Research (CIAR), Program in Law and the Determinants of Social Ordering (1996-7 part-time)
Visiting Researcher	Program in Economic Growth and Policy, 'Science, Technology and Institutional Change in a Global Economy', Canadian Institute of Advanced Research (CIAR), based at Simon Fraser University (4/1994-9/1994)
Research Intern	Telecommunication Development Branch, Canadian Radio-television and Telecommunication Commission (CRTC), Ottawa (5/1977-8/1977)

## RESEARCH INTERESTS

---

Social, economic and policy issues arising from innovations in ICT  
Integration of new technologies into society  
Interaction between engineering design and the structure of markets  
Sources of regulatory effectiveness and failure  
Governance of new media and social interaction on the Internet and off-line  
Media and communication literacies  
Mediation of social and economic life, theoretical perspectives

## SELECTED PROFESSIONAL ACTIVITIES

---

### **International Association for Media and Communication Research (IAMCR)**

Member, Scholarly Review Committee (2008-)  
Member, Finance Committee (2010-)  
Co-Chair, Media and Communication Policy Task Force (2010-)  
Past President (2008-10)  
President and Chair of International Council and Executive Board (2004-8)  
President, Communication Technology Policy Section (1991-5)  
Member IAMCR (1984-present)

### **Other Professional Associations**

American Economics Association (AEA)  
Association for Evolutionary Economics (AFEE)  
Canadian Communications Association (CCA)  
European Association for Evolutionary Political Economy (EAEPE)  
Institution of Engineering and Technology (IET)  
International Communications Association (ICA)  
Media, Communication and Cultural Studies Association (MeCCSA)

UK Academy for Information Systems

**European Network for Communication and Information Perspectives (ENCIP)**

Chair, European Communication Policy Research (EURO CPR) Conference Scientific Committee (2008-present)

Steering Committee (2002-7)

Board of Directors, Founding Member ENCIP (1991-8)

**Economic and Social Research Council (ESRC)**

Postgraduate Training Board Vice-Chair (2000-2)

Postgraduate Training Board (1998-2002)

Postgraduate Training Board, Recognition Panel Chair (2000-2)

Postgraduate Training Board, Recognition Panel member (1999-2002)

Postgraduate Training Board CASE Studentship Competition Panel Chair (2001-2)

Postgraduate Training Board CASE Studentship Competition Panel (1999-2)

Advanced Course Studentship Panel member, Science, Technology and Innovation Studies (1997)

Virtual College Research Themes on Economics, Geography and Political Science (1997-8)

**Editorial Responsibilities**

*Current*

Advisory Board, ICA Sub-Disciplinary Encyclopaedias (2010-), Published by Wiley-Blackwell

Co-editor, ICA Sub-Disciplinary Encyclopaedia of *Digital Communication and Society* (with Peng Hwa Ang, NTU Singapore) (2011 for completion 2014), published by Wiley-Blackwell

Editorial Board: Palgrave Series on Global Media Policy and Business (2011-)

Editorial Board, *Communication Yearbook 37*, ICA (2011-12)

*Former*

Advisory Board, Bloomsbury Academic Publishers (2008-2011)

Editorial Board, Palgrave Macmillan Series in International Political Communication (2006-2009)

Advisory Board Member, 'Innovation in the 21<sup>st</sup> Century' Series, edited by Angel J. Salazar, Manchester Metropolitan University, World Scientific Publishing (2010-11).

Editorial Board, *Communication Yearbook 34*, ICA (2008-9)

Area Editor, Communication Technology, *The International Encyclopedia of Communication*, Wiley-Blackwell for ICA (2005-8).

**Journal Editorial Boards (at various times):**

*Communications & Strategies* (Editorial secretariat 2010-12)

*Continuum: Journal of Media and Cultural Studies*

*Global Media Journal – Canadian Edition*

*Info: The journal of policy, regulation and strategy for telecommunications, information and media*

*Information Economics and Policy* (to Dec 2010)

*Industrial & Corporate Change*

*Information and Communication Technologies and Human Development.*

*Information Technologies and International Development* (emeritus member from 2010)

*International Journal of Communication* (Annenberg)

*New Media & Society*

*Perspectives on Global Development & Technology*

*Prometheus*

*La Revue européenne des médias*

*Telecommunications Policy (and Book Review Editor)* (to 1999)

*The Information Society: An International Journal*

*The Southern African Journal of Information and Communication* (to 2009)

Reviewer for many journals, funding bodies and publishers in the fields of media and communication and science and technology policy studies including European Research Council, European Science Foundation, European Research Council, SSHRC Canada, Academy of Finland, University of Tampere, United Nations Commission on Transnational Corporations, Centre for Tele-information, Technical University of Denmark, TNO Delft, Department for International Development, Agence Nationale de la recherche (France), ESRC, EPSRC and AHRC.

#### **Additional Research Affiliations**

##### *Current:*

European Research Council (ERC) Large Grants Panel SH2 Institutions, Values and Beliefs and Behaviour (sociology, social anthropology, political science, law, communication, social studies of science and technology) Member, 2009-11.

Institute of Development Studies (IDS), Sussex, Fellowship Review & Promotions Board, Member (2009-).

Emergent Issues in Information and Knowledge Management (IKM) and International Development, Directorate General for International Cooperation, Dutch Ministry of Foreign Affairs administered by Association for Development Training and Research Institutes (EADI), Member (2007-12).

Scientific Advisory Council, LIRNEAsia, Colombo, Sri Lanka (2011-present).

Advisory Board, The New Transparency: Surveillance and Social Sorting, SSHRC Major Collaborative Research Initiative, 2008-2015, led by Professor David Lyon, Queens University, Ontario (2008-present)

##### *Past Affiliations:*

Scientific Commission, Internet Interdisciplinary Institute (IN3), Universitat Oberta de Catalunya, Barcelona (2003-2011)

Advisory Board, Asia Media Information and Communication Centre (AMIC), Singapore (2005-2011)

Advisory Board, LIRNEAsia, Colombo, Sri Lanka (2006-2010).

Advisory Board, Center for Advanced Studies and Research in Information and Communication Technologies & Society, University of Salzburg (2005-2011)

Trustee, Institute of Development Studies (IDS), Sussex including, Nominations Committee, Building Space Task Force, Fellowship Review & Promotions Board (1999-2009)

Strategy Council, Global Alliance for Information and Communication Technologies and Development (GAID) (2006-2010)

Advisory Board, Re-Design Project in the Countering Terrorism in Public Places, EPSRC, ESRC, AHRC funded research programme, project led by Cerwyn Moore, University of Birmingham (2008-2010)

Advisory Group, Proboscis, London, [www.proboscis.org.uk](http://www.proboscis.org.uk) (2006-2010)

Member, MARCEL (Multimedia Art Research Centres and Electronic Laboratories) <http://www.mmmarcel.org/> (2006-2010)

Working Group, International Internet Preservation Consortium (2004-7)

Steering Committee, Instituto del Tercer Mundo (Third World Network), Uruguay (2004-6)

Advisory Panel, iSociety Programme, Work Foundation, London (2003-4)

Advisory Group, Centre for Net-based Collaboration and Learning, Roskilde University (2001-2)

Advisory Board, Digital Technologies Programme, Institute for Public Policy Research (2001-2)

Advisory Board, Imfundo: Partnership for IT in Education, London (2000-1)

International Expert, Swedish Transport and Communication Research Council (1997-9)

Information Engineering Committee of the Public Affairs Board, Institution of Electrical Engineers (IEE) (1996-9)

Committee on National Site Licensing for Journal Publishers, Higher Education Funding Council for England (HEFCE) (1994-6)

Advanced Communication Technologies and Services Horizontal Actions Technical Evaluation Panel Chair, European Union Fourth Framework Programme, Brussels (1995)

European Commission Trade and Electronic Data Interchange Systems (TEDIS) Programme, UK Evaluator (1993)

Advisory Committee, British Library, Information UK 2000 project (1990)

### **Conference Organisation**

Member, External Panel Organising Committee for ICT4D2012, Atlanta.

Co-organiser of two panels for ICT4D2010 pre- and post-Conference events with Ann Light, Sheffield Hallam University on 'Reflections and Conclusions: ICTD 10 years beyond the Millennium' and 'Conceptions of Accountability in Policy and Practice, at Royal Holloway, University of London, December 2010.

Chair, Local Organising Committee, Media, Communication and Cultural Studies Association (MeCCSA) Annual Conference hosted by LSE, 6-8 Jan 2010.

Conference co-Chair, Department of Media and Communications, LSE Fifth Anniversary Conference, *Media, Communication & Humanity*, London (Sept. 2008)

Conference Chair, International Association for Media and Communication Research (IAMCR), Congress, University of Stockholm (July 2008)

Conference Chair, IAMCR Conference, Paris (July 2007)

Conference Chair, IAMCR Congress, Cairo (July 2006)

Conference Chair, IAMCR Conference, Taipei (July 2005)

Advisory Board, World Congress on Communication for Development, Rome (2006)

Programme Coordination Team, Global Knowledge Partnership (GKP), Action Summit, Global Knowledge II Conference, Kuala Lumpur, (1999-2000)

Technical Advisory Committee, Economic Commission for Africa, Africa Development Forum (1999)

Conference Chair, Institution of Electrical Engineers/Buy IT Conference on Building Trust in Electronic Commerce, London (1998)

Organising Committee Chair, OECD/EU/IEE Workshop on the Economics of the Information Society, London (1997)

Scientific Programme Committee, ConTel Conference on Telecommunications, Croatian Telecommunications Society, Zagreb (1993-6)

Scientific Committee, Telecommunications, Informatique, Audiovisuel: Le Temps des Alliances, IDATE 14th International Conference, Montpellier (1993)

Scientific Committee, International Telecommunications Society (ITS) Regional Conference (1993 and 1995)

## **TEACHING**

---

### **Programmes/Courses Directed and Taught (at LSE)**

Course convenor and lecturer MC413 Communication, Information and Knowledge Systems (2001-)

Course lecturer MC418 Theories and Concepts in Media and Communications II on mediation in theory and practice and networks in the Internet Age (2012), other lectures on MC408 Theories and Concepts in Media and Communications I on Media economics and political economy of media in previous years.

Director, MSc in Media and Communications (2009-10)

Director, MSc in Media and Communications: Media and Communication Governance Strand, (2009-10); Co-Director (2012-)

Director, MSc in Communication, Information and Society, (2001-8), programme withdrawn in 2009-10, replaced by new governance strand above.

MSc dissertation supervision.

### **Programmes/Courses Directed and Taught (at SPRU Sussex)**

Director, MSc in ICT Innovation and Policy (1988-99)  
Policy Analysis and the Policy-making Process (1988-2000)  
ICTs and International Administrative Processes (1988-2000)  
Socio-Economic Issues in Information & Communication Technology Policy (1988-2000)  
Research Methods in Science and Technology Policy and Innovation Management (1988-95)  
MSc dissertation supervision, average of 6 students per year (1988-2000)

### **Other Teaching**

Oxford Internet Institute Summer School, Alleviating Inequality: The Struggle Towards Financing Mechanisms for ICTs', Beijing (2005)  
Oslo International Summer School in Comparative Social Science Studies, Information and Knowledge Societies: An Interdisciplinary Perspective, University of Oslo (2002)  
Information and Media Society Studies Summer School, Leysin, Switzerland (2001)  
External Examiner, University of Westminster MA in Communication (1993-7)  
External Assessor, University of Westminster Validation Panel for MA in Communication (1993)  
Sessional Instructor, Department of Communication, Simon Fraser University (1978-9)  
Lecturer, undergraduate courses in Political Economy of Communication and Research Methods, Department of Communication, Simon Fraser University (1980 – 1)

### **Doctoral Supervision (PhD at LSE)**

#### *Current*

Nina Blackett (Submission planned 2012) Remediating Sickness: The Digitalisation of Medical Publishing.  
Sarah Kamal (Submission planned 2012) Mediated modernity: A post-colonial case study of media development in Afghanistan, 2002-2010.  
Gregory Asmolov (First Year 2011) Fifth Estate and "Governance without Government" in Emergency Situations (working title) (lead supervisor with B. Cammaerts)  
Alex Free (First Year 2011) ICTs, the Internet and Africa: Meeting Social, Political or Economic Needs? (working title) (lead supervisor with L. Manyozo)  
Fionn Dempsey (First Year 2011) Intellectual Property and Formal Ontology (second supervisor with D. Tambini)  
Nicholas Benequista (First Year 2010) ICTs and Development (lead supervisor with L. Manyozo)

#### *Completed*

Olugbenga Adesida (Awarded 2005) Intermediating institutions and the diffusion of complex technological innovations: The case of electronic commerce  
Philippe Ross (Awarded 2005) Mediation in new media production: representation and involvement of audiences/users at NESTA Futurelab  
Evangelia Berdou (Awarded 2007) Managing the bazaar: commercialization and peripheral participation in mature, community-led free/open source software projects  
Dorothea Kleine (Awarded 2007) Empowerment and the limits of choice: Microentrepreneurs, information and communication technologies and state policies in Chile  
Shenja Van Der Graaf (Awarded 2009) Designing for Mod Development: User creativity as product development strategy on the firm-hosted 3D software platform  
Helena Johansen (Awarded 2009) Re-Conceptualising Party-Centred Politics in Terms of Market: A Relationship Marketing Approach  
David Brake (Awarded November 2009) 'As if nobody's reading': The imagined audience and socio-technical biases in personal blogging practice in the UK

Frédéric Lesage (Awarded November 2009) Networks for art work: An analysis of artistic creative engagements with new media standards

Yukie Hori (Awarded July 2010) Social networks in the network society: New dynamics of networking among women's organizations in Asia

Elizabeth Van Couvering (Awarded July 2010) Search Engine Bias: The Structuration of Traffic on the World-Wide Web

Indrek Ibrus (Awarded December 2010) Evolutionary Dynamics of New Media Forms: The Case of Open Mobile Web

Iginio Gagliardone (Awarded December 2010) Development and destabilization: The selective adoption of ICTs in Ethiopia

### **Other PhD Supervision**

Peter Benjamin (Awarded 2001) 'Telecentres and Universal Capability', Aalborg University (co-supervisor).

Alison Gillwald, (Awarded November 2009) Wireless: a decade of telecommunications reform in South Africa, Graduate School of Public and Development Management, University of the Witwatersrand.

### **Doctoral Supervision (DPhil at SPRU/Sussex)**

Sergio Banhos (Awarded 1990 MPhil) The technological merging of computers and telecommunications and its effects on corporate strategies in the Brazilian IT market

Richard Hawkins (Awarded 1992) Standards for technologies of communication: Policy implications of the dialogue between technical and non-technical factors

Salvatore Torrissi (Awarded 1995) The organization of innovative activities in European software firms (joint supervised with Nick Von Tunzelman)

Burt Sadowski (Awarded 1995) Opportunities and constraints for public and corporate networks in post-reunification Germany

Georgios Stamboulis (Awarded 1995) New technology in the European periphery: The development of the ICT in Hellas (Greece)

Stephen Pollak (Awarded 1995) Computers, telecommunications and the microbiologist: The online hunt for microbes

Erik Archambault (Awarded 1996) Inventors, entrepreneurs and the metamorphosis of telecommunication systems

Jane Millar (Awarded 1996) Interactive learning in situated practice: Factors mediating the new production of knowledge during iCASE technology interchange

Andreas Credé (Awarded 1997) Technological change and the information society: An examination of credit risk assessment and cash handling procedures in commercial banks.

Luiz Fernando Ferreira Silva (Awarded 1997) U.S. Cold War foreign policy and satellite communication: The case of earth station network build-up in Brazil and Argentina

Anga-Thevar Baskaran (Awarded 1998) Technology development in India's space programme, 1965-1995: The impact of the missile technology control regime

Natasha Constantelou (Awarded 1998) Transformation dynamics in Southern and Eastern Europe: The emergence of advanced communication networks and services

Michele Javary (Awarded 1999) The economics of power

Ana Arroio (Awarded 2000) Technological Opportunities for Brazilian social development: An examination of low earth orbit satellite development.

Martin De Saulles (Awarded 2000) Innovation within the service sector: the use of interactive networks by retailers

David Neice (Awarded 2001) Conspicuous contributions: Signs of social esteem on the Internet

Daniel Paré (Awarded 2001) Internet governance in transition: Just who is the master of this domain?

Uta Wehn de Montalvo (Awarded 2001) Crossing organisational boundaries: Prerequisites for spatial data sharing in South Africa

Jennifer Gristock (Awarded 2002) Organisational virtuality and the UK newspaper industry: A study of a system of innovation as a system of mediation

Gillian Marcelle (Awarded 2002) Technological capability building and learning in the developing world: The experience of African telecommunication companies

Byung-Keun Kim (Awarded 2003) The political economy of the internet system evolution (joint supervised with W E Steinmueller)

Allison Murray (Awarded 2003 MPhil) Public private partnerships in the internet-based services sector in developing countries

### **PhD External and Internal Examining**

UK: Birkbeck College University of London, City University London, Goldsmiths College London, University of Cardiff, University of Edinburgh, Loughborough University (2), University of Newcastle, Stirling University, University of Westminster, University of Manchester Institute of Science and Technology.

Overseas: University of Maastricht, The Netherlands, Delft University of Technology, The Netherlands, University of Oslo, Norway (2), Roskilde University, Denmark, Simon Fraser University, Canada, Dublin City University, Ireland, School of Law and Political Science, Open University of Catalonia, Spain.

University of London Internal Examiner, eight (2001-); University of Sussex Internal Examiner, six (1988-2000)

### **ADMINISTRATIVE/MANAGEMENT RESPONSIBILITIES**

---

#### **LSE**

Member Promotions Committee (2011-)

Elected Academic Governor and Council Member (2005-8, re-elected 2008-10)

Pro-Directorship Selection Committee (2008-2010)

Equality and Diversity Committee (2007-2010)

Audit Committee (2009-2010)

External Affairs Committee (2004-8)

Co-Director EDS-LSE Innovation Research Programme - £1m (2005-10)

Academic Planning and Resources Committee (2001-4)

#### **Department of Media and Communications, LSE**

Examinations Sub-Board Chair Lent Term (2012-)

Director of Graduate Studies (2009-10) and Director, PhD Programme, Lent Term (2009-10)

Head of Department (2006-9)

Director, PhD Programme in Media and Communications (2006-8)

Acting Head of Department replacing Silverstone on sabbatical (2003-4)

Member, POLIS Steering Committee and Board, Department of Media and Communications (2006-2009)

Editor, Media and Communications Electronic Working Paper Series 2007-10.

Department Teaching and Learning Committee (2002-6)

MSc Programme Teams, Communication, Information and Society and Communications Regulation and Policy (2006- 2010)

### **SPRU Science and Technology Policy Research, Sussex University (1988-2000)**

Research Director (1999–2000)

Director of Graduate Studies (1995-7)

Director of External Communication (1993-5)

Co-director, Information, Networks & Knowledge Research Centre (1998-2000)

Director, Centre for Information and Communication Technologies, (1988-98)

Working Group, University of Sussex, Vice-Chancellor's Research Excellence Assessment (responsible for overseeing submissions by Socio-legal Studies, Sociology, Media Studies, Economics, and Social Anthropology) (2001)

Research Degree Examination Board, University of Sussex (1999–2000)

University of Sussex Graduate Studies Committee (1995-7)

University of Sussex Sasakawa Scholarship Committee, (1996-9)

University of Sussex Validation Panel, BSc in Technology and Communication, Ravensbourne College of Art and Design (1997-2001)

### **AWARDS**

---

Best paper, International Association for Mass Communication Research Conference (IAMCR), Communication Technology Section, Ljubljana (1990)

Scholar in Residence, School of Business, Queen's University, Ontario (1988)

Best Theoretical Article, *Canadian Journal of Communication* (1984)

SSHRC Doctoral Fellowship (1980-3)

### **LARGE RESEARCH GRANTS**

---

Title: *Not Just Talk: Practice, Power, Knowledge and Information and Communication Technologies (TIPPI)*

Collaborator: Dr. Evangelia Berdou, Institute of Development Studies, Sussex

Funder: Institute of Development Studies (2012-13) for preparation of large external bids to funders.

Amount: £100,000 from August 2012.

Title: *Socio-Economic Impact Assessment for Research Projects (SEQUOIA)*

Collaborator: Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, LSE is Lead Partner, Mansell works closely with Dini to generate projects and contributes 3% of her time to this project.

Funder: European Commission (2010-2012)

Amount: €500K of which €150K to LSE

Title: *Open Philosophies for Associative Autopoietic Digital Ecosystems (OPAALS)*,

Collaborator: Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, LSE is Lead Partner, Mansell was Dini's line manager

Funder: European Commission (2007-10)

Amount: €9m of which €1.5m to LSE

Title: *International Knowledge Management – Emergent (IKM-E)*

Collaborator: Mansell is on Steering Committee

Funder: Dutch Ministry of Foreign Affairs and administered by the European Association for Development Training and Research Institutes (EADI), 2007-2012

Amount: €5m

Title: *Digital Business Ecosystems (DBE)*

Collaborator: Dr. Paolo Dini, Department of Media and Communications, Senior Research Associate, LSE was Lead Partner, Mansell was Dini's line manager

Funder: European Commission, Integrated Project (2003-6)

Amount: LSE component €350,000

Title: *ICTs for Development – Universal Service and Telecommunications*  
Collaborators: Mansell was Principal Investigator, Professor William H Melody and Claire Milne, Consultant  
Funder: International Development Research Centre (IDRC) Canada (Jan-Mar 2006)  
Amount: CAN \$70,000

Title: *Cyber Trust and Crime Prevention Foresight Project*  
Lead Institute: LSE Mansell as leader of all social science contributions to project  
Funder: Office of Science and Technology (OST), Foresight (2003-4)  
Amount: £25,000

Title: *Growth-Nodes in Knowledge-based Europe (G-NIKE)*  
Lead Institute: IN3 University of Catalonia, Barcelona  
Funder: European Commission (2002-3)  
Amount: £40,000 to LSE

Title: *E-Commerce with Developing Countries*  
Lead Institute: LSE Mansell was Principal Investigator, with Institute of Development Studies, Sussex  
Funder: UK Department for International Development (2001-3)  
Amount: £195,700

Title: *Socio-economic Trends Assessment for the Digital Revolution (STAR)*  
Lead Institute: Databank Consulting, Milan, with SPRU Sussex – Mansell as coordinator of academic research  
Funder: European Commission, 5<sup>th</sup> Framework, Information Society Technologies (IST) Programme, Key Action II Electronic Commerce (2000-3)  
Amount: €2.9 m of which 39% to SPRU

Title: *The Economic Importance of Electronic Networks*  
Lead Institute: LSE Mansell was Principal Investigator  
Funder: Prime Minister's Strategy Unit, Cabinet Office Preparation of a Report on– August 2002,  
Amount: £29,345

Title: *Forecasts and Assessment of Advanced Communication Technologies and Services and Recommendations (FAIR)*  
Lead Institute: Databank Consulting, Milan, with SPRU Sussex – Mansell as coordinator of academic research  
Funder: European Commission, DGXIII 4th Framework Advanced Communication Technologies and Services (ACTS) Programme (1995-8)  
Amount: € 3 m of which 35% to SPRU

Title: *Assessment of Telematics Programme (ASSENT)*  
Lead Institute: Smith Systems Engineering plc first two years, SPRU Sussex - Mansell final year was coordinator of large scale multi-country survey (1996-9)  
Funder: European Commission, DGXIII, 4th Framework Telematics Programme  
Amount: €1.5 m of which 25% to SPRU

Title: *Prospectus for GAIT - Global Access to Information Technologies*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator  
Funder: International Development Research Centre (IDRC) Canada (1999)  
Amount: CAN\$ 20,000

Title: *Knowledge Societies: IT for Sustainable Development*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator and Co-ordinator  
Funder: UNCTAD on behalf of United Nations Commission for Sustainable Development  
Amount: US\$ 27,500

Title: *Net Compatible: Virtual Communities, Intelligent Agents and Trust Service Provision for Electronic Commerce,*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator  
Funder: NCR Financial Services Knowledge Laboratory, London (1998)  
Amount: £50,000

Title: *The New Telecommunications in the Netherlands*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator

Funder: Rathenau Institute, (formerly Netherlands Office of Technology Assessment) (1995)  
Amount: (€35,000)

Title: *Electronic Procurement: Stage 1 Report*  
Lead Institute: SPRU Sussex Mansell as Principal Investigator with L. D'Adderio, J. Molas-Gallart  
Funder: Ernst & Young and European Commission (1995)  
Amount: £50,000

Title: *Intellectual Property Rights: The Development of Information Infrastructures for the Information Society*  
Lead Institute: MERIT, Maastricht and SPRU Sussex Mansell  
Funder: European Parliament, Scientific and Technological Options Assessment (STOA) Programme (1995)  
Amount: Approx. €30,000

Title: *Employment and Telecommunications*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator  
Funder: International Labour Office, Principal Contractor, Geneva (1995)  
Amount: US\$ 20,000

Title: *Media and Advanced Communication Services*  
Lead Institute: Technology Investment Partners, Paris with SPRU Sussex Mansell and Silverstone were coordinators of academic research  
Funder: Commission of the European Communities, Socio-Economic and Technical Impact Assessment & Forecasts, RACE II (1993)  
Amount: £30,000

Title: *Earth Observation Data Policy for Europe*  
Lead Institute: Logica Space and Communications Ltd and SPRU Sussex Mansell was Principal Investigator with S. Paltridge and R. Hawkins  
Funder: Commission of the European Communities, DG-XII (1992)  
Amount: €150,000

Title: *Transnational High Speed Data and Digital Video Communications, Perspectives on Advanced Communications for Europe PACE '90*  
Lead Institute: SPRU Sussex Mansell was Principal Investigator and Co-ordinator  
Funder: Commission of the European Communities (1990)  
Amount: €50,000.

## SMALLER CONSULTANCIES AND PROJECTS

---

*British Telecom*, preparation of Expert Witness evidence in British Telecommunications plc ("BT") and TalkTalk Telecom Group Limited v Secretary of State for Business, Innovation and Skills ("BIS") in the matter of an intended claim, (with W. E. Steinmueller), 1 July 2010 (£22,000) and January 2011 (£20,500).

*Advancing knowledge-intensive entrepreneurship and innovation for growth and social well-being in Europe* (AEGIS) Integrated Project, Theme 8 Socio-economic Science and Humanities, European Commission, Mansell named expert with SPRU (2008-10)

*Countering Terrorism in Public Places* Research Programme Director, IDEAS Factory Sand-Pit, EPSRC £10,000 (2006)

*E-Commerce for Developing Countries: Assessing the Models and Experience* World Bank, One Day Training Programme with William H Melody, Washington DC, US\$ 1,700 (2005)

*Information Society Strategy for Latin America and the Caribbean*, for WSIS, United Nations CEPAL Expert Advice, €5000 (2005)

*Contribution to World Report on Towards Knowledge Societies*, UNESCO, US\$ 15,000 (2003)

*Visions of the Information Society* International Telecommunication Union, US\$ 5,000 (2003)

*Digital Divide* Commonwealth Secretariat, IT Expert Group, London, £5,000 (2001)

- Electronic Commerce and the Emerging Economies, OECD Workshop Dubai and Background Paper, £5,000 (2000).
- Programme coordination for *Global Knowledge Partnership Action Summit, Global Knowledge II Conference*, British Council with International Development Research Centre (IDRC), Kuala Lumpur, £10,000 (2000).
- Systems of Innovation*, International Development Research Centre (IDRC), Background Paper for a program sponsored by IDRC and IFIAS, CAN\$ 500 (1997)
- Working Group on IT & Development*, United Nations Commission on Science and Technology for Development, Rapporteur and Commissioned Report Editor, US\$ 27,000 (1997)
- Foresight Panel on Information Technology and Communications Electronics*, Office for Science and Technology, London, £500 (1997)
- Mainframe Computing and Distributed Computing*, Maastricht Economic and Research Institute on Innovation and Technology (MERIT), University of Limburg, The Netherlands and Amdahl Corporation, €15,000 (1995)
- Building South-North Bridges on the Information Superhighway – Towards a Global Agenda for Collaborative Research and Action*, International Development Research Centre (IDRC), Canada Workshop, Cairo, CAN\$ 1000 (1995)
- Optical Fibre Grid*, Oral Evidence, House of Commons Trade and Industry Committee, Subcommittee London (1994)
- Assessment Indicators and the Impact of Information on Development*, Consultative Panel, International Development Research Centre (IDRC), Canada (1994)
- Working Party on Telecommunication and Information Services Policy*, OECD, Information, Computers and Communication Policy Division, Directorate for Science, Technology and Industry, US\$ 5,000 (1994)
- Electronic Information Services Market and Competitive Strengths and Weaknesses*, Department of Trade and Industry, £10,000 (1994)
- Telecommunication in Transition, Development and Interconnection Implications for Central and East European Economies*, OECD, Information, Computers and Communication Policy Division, Directorate for Science, Technology and Industry, Workshop Report, Budapest, US\$ 5,000 (1994)
- Communication Revolution – Implications for Policy and Governance*, World Humanity Action Trust London, Report, £2000 (1993)
- High Performance Computing: Network Implications in the US, Europe and Japan*, OECD, Report Information, Computers and Communication Policy Division, £2,000 (1993)
- Telecommunication, Multinational Enterprises and Globalization*, Rank Xerox Cambridge EuroParc, £5,000 (1993)
- Scoping Study on the long term needs for internal and external communication systems*, Metropolitan Police Service, London, £2,000 (1993)
- European Network for Communication & Information Perspectives*, University of Sussex, New Research Development Grant, £5000 (1992-3)
- European Cross-Border Telecommunications: Monitoring Alliances and Strategies*, PTT Netherlands, The Hague, Report and seminar for Business Strategy Committee, €500 (1992)
- Human Resources & Communication Highways*, Egnatia Epirus Foundation, Greece, Commission of the European Communities, Expert participant at Symposium and co-author report (with G. Lauder), £10,000 (1992)
- Coherence and Diversity of Systems of Innovation, Commission of the European Communities with LATAPSES Sophia Antipolis, FAST Programme Report, DG-XIII, Mansell and M. Sharp, €25,000 (1992)
- Cross-Border Telecoms: Prospects for Long Distance Carriers in Europe*, NYNEX Network Systems, AT&T Istel, Cable & Wireless, Report, US\$ 5000 (1992)
- Technical and Policy Prerequisites for Global Networking Efficiency*, UNCTAD, Principal Contractor, Special Division on Trade Facilitation, Geneva, Report with M Jenkins, US\$ 5000 (1991)
- Electronic Trading Networks*, presentation for Trade Efficiency 2000, UNCTAD, Geneva (1991)
- International Governance: Trade in a Globalising World Economy, Canadian Delegation Representative, UNCTAD, Jakarta (1991)

- Corporate Network Strategy*, British Telecom and AT&T Istel Ltd., Chair, Workshop for Directors £2000 (1991)
- Multimedia Applications*, Fujitsu Laboratories Ltd. Tokyo, Report, £15,000 (1991)
- Global Networking Strategies*, British Telecom, Course material for Economics Module, British Telecom, Telecommunications Engineering Staff College, £15,000 (1991)
- Global Telecommunications*, Brighton Partnership for Management of Technology, Course Module Preparation, £5000 (1991)
- Special Session on Telecommunications*, OECD, Information, Computers and Communication Policy Committee, Directorate for Science, Technology and Industry, Rapporteur, Chairman's Closing Remarks and Synthesis Report, US\$ 4000 (1990)
- Business case for the Privatisation of 'Uruguay Telecommunications Sector Restructuring – Why and How', BIS Mackintosh Consultancy, Leader, Economic and Financial Team, £5000 (1990)
- Mobilising Information Resources for Economic Development*, World Bank, Advisor to Centre for Urban and Regional Development Studies (CURDS), Newcastle University, £4000 (1990)
- Telecommunications Liberalisation*, Scottish Development Agency, Advisor to Centre for Urban and Regional Development Studies (CURDS), Newcastle University, £1000 (1990)
- British Library Dainton Lecture*, Draft speech for R. Maxwell with G. Oldham, £1000 (1990)
- Survey of Official and Unofficial Data Sources and Classification Systems for Telecommunication Equipment, Networks and Services*, OECD, Information, Computer and Communications Policy Committee, Directorate of Science, Technology and Industry, US\$ 5000 (1989)
- New Telecommunication Network-based Services*, World Bank, Report, US\$ 2000 (1989)
- Inward Technology Transfer*, Department of Trade and Industry, Economics Division, £1000 (1989)
- Interaction between Changing Telecommunication Market Structures and the Equipment Industry*, OECD Information, Computer and Communications Policy Committee, Directorate of Science, Technology and Industry, Report, US\$ 2000 (1986)
- World Administrative Telegraph and Telephone Conference Delegate, UK Department of Trade and Industry, International Telecommunication Union, Melbourne (1988)
- Comparative broadcasting policies in the US, Canada, the UK and the Member States of Europe*, Department of Communications, Ottawa, with R. Collins, CAN\$ 5000 (1986)
- Telecommunication costs and pricing in Nova Scotia*, Nova Scotia Public Utilities Board, Assistant Director, CAN\$ 10,000 (1983)

## PUBLICATIONS

---

### Books

1. Mansell, R. (in press 2012) *Imagining the Internet: Communication, Innovation and Governance*. Oxford: Oxford University Press.
2. Mansell, R. and Raboy, M. (eds) (2011) *Handbook of Global Media and Communications Policy*, Blackwell-Wiley, 579 pages.
3. Mansell, R. (ed) (2009) *The Information Society* (Critical Studies in Sociology), 4 Volume republication of 86 articles with editor's introductions to each Volume. London: Routledge.
4. Mansell, R., Avgerou, C., Quah, D., and Silverstone, R. (eds) (2007) *The Oxford Handbook of Information and Communication Technologies*, Oxford University Press, 620 pages, pbk 2009.
5. Mansell, R. and Collins, B. S. (eds) (2005) *Trust and Crime in Information Societies*, Cheltenham: Edward Elgar Publishers, 459 pages, 2007 pbk.
6. Mansell, R., Samarajiva, R., and Mahan, A. (eds) (2002) *Networking Knowledge for Information Societies: Institutions and Intervention*, Delft: DUP Science, Delft University Press, 405 pages.
7. Mansell, R. (ed) (2002) *Inside the Communication Revolution - New Patterns of Social and Technical Interaction*, Oxford University Press, 309 pages, translated as *La revolución de la comunicación: Modelos de interacción social y técnica*, Madrid: Alianza Editorial, 2003.

8. Mansell, R. and Steinmueller, W. E. (2000) *Mobilizing the Information Society: Strategies for Growth and Opportunity*. Oxford University Press, 516 pages, 2002 pbk 2002, Translated into Macedonian, TRI Publishing Centre, Macedonia 2009.
9. Mansell, R. and U. Wehn (eds) (1998) *Knowledge Societies: Information Technology for Sustainable Development* for the UN Commission on Science and Technology for Development, Oxford University Press, 323 pages, Chinese translation: Chinese Ministry of Science and Technology, 1999 at <http://www.sussex.ac.uk/spru/research/kplib/archives/knowledgesocieties>
10. Mansell, R. and Silverstone, R. (eds) (1996) *Communication by Design: The Politics of Information and Communication Technologies*. Oxford University Press, 278 pages, pbk 1997.
11. Mansell, R., Davies, A., and Hulsink, W. (1995) *The New Telecommunications in the Netherlands: Strategic Developments in Technologies and Markets*, The Hague: Rathenau Institute (formerly Netherlands Office of Technology Assessment), 134 pages.
12. Hawkins, R, Mansell, R. and Skea, J. (eds) (1995) *Standards Innovation and Competitiveness: The Politics and Economics of Standards in Natural and Technical Environments*, Cheltenham: Edward Elgar, 269 pages.
13. Mansell, R. (ed) (1994) *The Management of Information and Communication Technologies: Emerging Patterns of Control*, London: ASLIB (Association of Library and Information Systems), 326 pages.
14. Mansell, R. (1993) *The New Telecommunications: A Political Economy of Network Evolution*, London: Sage, 260 pages, translated as *Le telecomunicazioni che cambiano: Innovazione tecnologica ed economica delle reti* Turin: Utet Libreria, 1996.
15. Mansell, R. and Garnham, N. (1991) *Universal Service and Rate Restructuring in Telecommunications*, French translation, OECD/ICCP Report No. 23, Paris, 193 pages.
16. Mansell, R. (1989) *Telecommunication Network-based Services: Policy Implications*, French translation, OECD/ICCP Report No. 18, Paris, 277 pages.
17. Mansell, R. (1988) *New Telecommunication Services: Videotex Development Strategies*, OECD/ICCP Report No. 16, Paris, 62 pages..
18. Melody, W. H. and Mansell, R (1986) *Information and Communication Technologies: Social Science Research and Training Vol. I: An Overview of Research, Vol II: National Directory*, London: Economic and Social Research Council, Vol II, 390 pages.

SELECTED ACADEMIC PRESENTATIONS

---

Keynote/Plenary Lectures in bold

1. **Keynote Speaker, 'Political Economy of the Digital Information Commons', Global Knowledge Commons Conference, Catholic University of Louvain, Belgium 12-14 September 2012.**
2. **Public Lecture, Free University of Brussels, 'Social Imaginaries in the Internet Age',**
3. **Public Lecture, Tallinn University, 'Social Imaginaries of Technology', Tallinn, Estonia, 3 November 2011.**
4. PhD Seminar Lecture, Tallinn University, 'New Media Challenges in Front and Behind the 'Screen', Tallinn, Estonia, 2 November 2011.
5. Chair, 'How are digital technologies transforming development? Panel, European Association of Development Institutes Conference/UK Development Studies Association, York University, 19-22 September 2011.
6. Discussant, 'Shared Values: Advocating New Approaches to a Global Development Ecology', Panel, European Association of Development Institutes Conference/UK Development Studies Association, York University, 19-22 September 2011.
7. Panelist, MacBride Panel, 'Whose Knowledge Counts? Power and ICTs', International Communication Section, International Association for Media and Communication Research (IAMCR) Conference, Istanbul, 13-17 July 2011.
8. International Association for Media and Communication Research (IAMCR) Conference, 'Copyright Infringement Online: The Case of the Digital Economy Act Judicial Review in the United Kingdom' with W. E. Steinmueller, paper presented to the Communication Technology & Policy Section, Istanbul, 13-17 July 2011.
9. International Communication Association (ICA), Annual Conference, Chair and presenter, Mini-Plenary 'Communication Scholars in the Policy Arena', Boston, 28 May 2011.
10. EuroCPR Annual Conference, Scientific Chair and Chair of 'Online content: trends and policy issues in Asia, USA and Latin America', Ghent, 26-28 Mar 2011.
11. Institute for Development Studies (IDS), Sussex, public seminar, 'Whose Knowledge Counts? Towards a Political Economy of the Knowledge-based Society/Economy', Falmer, Brighton, 26 January 2011.
12. ICTD 2010, Congress, Co-Chair and organiser, Conceptions of Accountability in Policy and Practice, 2.5hr session, and Co-chair and organiser, Conference Reflections and Conclusions: ICTD 10 Years Beyond the Millennium, Royal Holloway College, London, 13 Dec 2010
13. International Association for Media and Communication Research (IAMCR) Congress, Chair, 'Confronting Issues of ICTs, the Environment and Citizenship', IAMCR Task Force on Media and Communication Policy, Braga, 19-22 July 2010
14. International Association for Media and Communication Research (IAMCR) Congress, Panel member 'Privacy and surveillance in online environments and the role of academics' Communication Technology & Policy Section, Braga, 19-22 July 2010
15. International Association for Media and Communication Research (IAMCR) Congress, 'Power, Interests and the Knowledge Society', paper presented to the Communication Technology & Policy Section, Braga, 19-22 July 2010.
16. Information and Communication Technology & Society (ICT&S) Center, 'Reflections on eParticipation Research', University of Salzburg, International Advisory Panel Meeting, 15-16 July 2010.
17. International Conference on 'Youth, New Media & Social Change', **Keynote** on The Global Information Society: In Whose Interest?, University of Northampton, 8 May 2010.
18. EUROCPDR (Communications Policy Research Conference), Chair and discussant for paper by Y. Benkler, Opening Plenary, Brussels, 28-30 March 2010.
19. Roger Silverstone Symposium, Speaker, University of Sussex, Falmer Brighton, 20 January 2010.

20. MeCCSA Annual Conference, Chair, **Keynote Session** on New Media, Surveillance and Policy, hosted at LSE, 6-8 January 2010.
21. LIRNEasia@5: Research to Policy, Session Chair, 'LIRNEasia as a research project: Findings', Colombo, Sri Lanka, 10 December 2009.
22. The Future of Digital Britain, Panel chaired by Mansell including Jeremy Hunt, Shadow Culture Secretary, media entrepreneur Peter Bazalgette, POLIS/LSE, London, 17 November 2009.
23. **Visby Agenda, Creating Impact for an eUnion, plenary session paper, 'Changing Social Values: Contestation or Consensus', Presidency High Level Conference, Visby, Sweden, 9-10 November 2009.**
24. **SWISSGIS (Swiss Centre for Studies on the Global Information Society), University of Zurich, SwissGIS 10 Years After, Keynote Speech, 'The Global Information Society Juggernaut: In Whose Interest?', Zurich, 6 November 2009.**
25. Good Planning or Benign Imposition? Innovation, emergence and risk in developmental research: learning from ICTD, Presentation, Workshop sponsored by BDDG/IKM, Judge Institute, Cambridge, 17 September 2009.
26. International Association for Media and Communication Research (IAMCR) 'Information Societies: History and Prospects' (2009), paper for the Communication Policy & Technology Section, Mexico City, 20-24 Jul.
27. International Association for Media and Communication Research (IAMCR), Panelist 'Roundtable: The Emerging Post-Liberal Order and its Consequences for Media and Communication', (2009), Mexico City, 20-24 Jul.
28. LSE Delhi Alumnae Chapter Event, 'Media for Democracy and Development', (2009) New Delhi, 15 Jul.
29. **Asia Media Information and Communication Centre (AMIC). 'The Internet, Power and Social Change' (2009) 18<sup>th</sup> Annual Conference, Plenary Keynote, New Delhi, 13-16 Jul.**
30. International Communication Association (ICA) Annual Conference (2009) 'Keyword: Interactivity', Panel Speaker, 'Joint IAMCR/ICA Panel Speaker' Chicago, 22 May.
31. **International Communication Association (ICA) Annual Conference (2009) Opening Plenary Panel Speaker, 'Regulation in the Digital Era – Forces for Reform – Who has a say?', Chicago, 21 May.**
32. Cambridge University, Sociology Seminar (2009), 'New Media and Empowerment: Is there a power shift?', Cambridge, 15 May.
33. **German Communications Association Annual Conference, Invited Keynote, (2009) 'Power, Media Culture and New Media', Bremen, 29-30 Apr.**
34. Provost Seminar Series, 'The Life and Times of The Information Society: A Critique of a Vision' (2009) Bentley University, Boston, USA, 24 Apr.
35. Chair, Keynote session: Competitiveness, policy and regulation, (2009) EURO Communications Policy Research Conference, 29-30 Mar., Seville.
36. 'Trust on the Internet', Panellist at the Wealth of Networks: Digital Economies and the Next-generation Internet, (2009) UK Digital Economy Research Programme, Conference organised by Southampton University, London, 24 Mar.
37. 'Effective States and the Media: A research dialogue across disciplines symposium', (2009) invited presentation, Institute of Development Studies, Sussex, 16 Jan.
38. 'Countering Terrorism in Public Places Follow on Workshop: Brief Summary', (2008) EPSRC, ESRC, AHRC sponsored workshop, final remarks, London, 9-10 Nov.
39. **'Communication, Information and ICT Policy: Towards Enabling Research Frameworks' (2008), Invited Keynote, HCC8 Conference (IFIP TC9) 8<sup>th</sup> International Conference on Human Choice and Computers, 25-26 Sept., University of Pretoria, South Africa, published in proceedings.**
40. **'ICTs and Society': Research Issues & Challenges', (2008), Invited Keynote, ICT and Society Network Launch Meeting, ICT&S Center, University of Salzburg, Salzburg, 20 Jun.**

41. 'The Life and Times of the Information Society: A Critical Review', paper prepared for Media@LSE Fifth Anniversary Conference on Media, Communication and Humanity, 21-23 Sept. 2008  
<http://eprints.lse.ac.uk/21428/>
42. 'Towards a Research Agenda for Media and Communications' (2008) IAMCR/ICA Chair Panel Session, International Communications Association Conference, Montreal, 25 May 2008.
43. **'The Light and the Dark Sides of Web 2.0' (2008) Invited Keynote, Web 2.0 Conference,, Royal Holloway College, University of London, 17 Apr.**
44. 'Communicative Cities', (2007) Contributor to Urban Communication Foundation Workshop, Paris, 26 Jul. organised by Professor Gary Gumpert.
45. 'IAMCR Task Force on Media and Communication Policy' (2007) Invited speaker, International Association for Media and Communication Research Conference, Paris 23-25 Jul..
46. 'The Ambiguity of Connection in Public Spaces: The 'undersound' project in the London Underground' (2007) (A. Bassoli first author), Paper presented at the International Association for Media and Communication Research Conference Conference, Paris 23-25 Jul..
47. **'New Media, Boundary Crossing and Critical Research' (2007) Opening Plenary Panel, 'Communication and Critique', ICA Conference, San Francisco, 24 Jun..**
48. **'A comment on a Retrospective on EU 'ICT Policy by E Liikanen' (2007), Invited Keynote, EURO Communications Policy Research Conference, Saville, 24-26 Mar.**
49. 'Media and New Technology: Can the digital revolution boost the impact of African media on development and governance?' (2007) panellist in workshop, POLIS Conference on 'Development, Governance and the Media', LSE, 22 Mar.
50. **'Knowledge Societies: Illusions and Dilemmas' (2007) Invited keynote, International Conference on Technology, Knowledge and Society, Cambridge, 10 Jan.**
51. 'Knowledge Societies for Development: What are the fault lines?' (2006) Seminar presentation, SOAS, London, 25 Oct.
52. 'Morality and media in the 21<sup>st</sup> Century – A Panel in celebration of the work of Professor Roger Silverstone', C. Beckett, L. Chouliaraki, S. Cohen, D. Dayan, R. Sambrook, Chaired by Mansell, <http://eprints.lse.ac.uk/21507/> (podcast)
53. 'Roundtable: The Opportunities and challenges for international associations in media and communications' (2006), Discussant, Internationalising Media Studies: Imperatives and Impediments Conference, University of Westminster, 15-16 Sept.
54. **'Fostering Diversity in Knowledge Societies: Fault lines and intermediaries' (2006) Plenary Speaker, new perspectives in media and communication research, AMIC Annual Conference, Penang, 17-20 Jul.**
55. 'Collective Action, Institutionalism and the Internet' (2006) Paper presented to the 'Institutional Transformations for the 21<sup>st</sup> Century Economy: Theory, Practice and Policy' session, Association for Evolutionary Economics (AFEE), Allied Social Science Associations (ASSA), Boston, 6 Jan.
56. 'Alleviating Inequality: Struggles Over ICT Financing Mechanisms' (2005) Chair and speaker, IFRD World Forum on the Information Society, IAMCR Panel 2 Transfer of Information Technology and Knowledge: Development & Underdevelopment, Renaissance Tunis Hotel, 14 Nov., Tunis.
57. **'Moving towards evidence based policy formulation and regulation: The significance of ICT indicators for African development, Research ICT Africa! Policy Dialogue' (2005) Invited Keynote, Link Centre, Wits University, 16 Nov., Corinthia Hotel, Tunis.**
58. **'Ambiguous Connections: Entitlements and Responsibilities of Global Networking' (2005) Development Studies Association Conference, Invited Keynote, Open University, Milton Keynes, 7-8 Sept.**
59. 'New Media Research and Training Challenges' (2005) Asia Media Information and Communication Centre (AMIC) Annual Conference, Invited Speaker, Beijing, 18-21 Jul.
60. 'Upsides and Downsides of Disciplinary and Interdisciplinary Inquiry' (2005) Presentation to Information Systems Department Seminar, LSE, 16 Jun.

61. **‘ICTs for Development’ (2005) Canadian Communications Association Conference, Plenary Speaker, London Ontario, 2-4 Jun.**
62. ‘World Summit on the Information Society: Government, Business and Civil Society Policy Dialogue’ (2005) International Communications Association Conference 2005, Panel Speaker, New York, 26-30 May.
63. ‘Trust and Crime in Information Societies’ (2005) Info Rights Salon, Department of Information Studies, University of Toronto, Toronto, 31 May, see <http://www.fis.utoronto.ca/research/inforights/Mansell-presentation.ppt>
64. **‘Policy and Regulation for Security: What are the limits?’ (2004) Public lecture presented as part of the Manchester University Press Centenary Public Lecture series, Manchester Business School, 24 Nov.**
65. ‘EU Multi-actor Governance - Information & Communication Policy’ (2004) Lecture presented at ‘The Multi-stakeholder Approach in Information and Communication Policies: Global strategies, local authorities, business interests and citizens’ practice from Geneva to Tunis’, Venice 23 Nov.
66. ‘Metadata, Internet Mediation and Power’ (2004) Paper presented at the IAMCR Conference, Communication Technology Policy Section, Porto Alegre, 25-30 Jul.
67. ‘Cybertrust and Crime Prevention: Troubling Issues for Privacy Protection’ (2004) Invited paper delivered to ‘The Value of Information in Networked Contexts, International Video-Conference in collaboration with Haifa University and Columbia University, LSE, 2 Feb.
68. ‘Global Information Societies: Conceptual Tools and Contending Research Agendas’ (2003) Lecture presented to the Annenberg School for Communication, University of Southern California, 4 Dec.
69. ‘E-Business and Empowerment: the internet and the individual’ (2003) Lecture presented to the ACU (Association of Commonwealth Universities) General Conference, Belfast, 2 Sept.
70. **‘The Internet and Society: missing conceptual tools for policy’ (2003) First Annual Lecture of the Centre for Information and Communication Technologies and Society (ICT&S), University of Salzburg, 21 May.**
71. ‘Inside the Communication Revolution: after the .com euphoria’ (2003) presentation to the Leipzig World Telecommunications Day conference, University of Leipzig, Leipzig, 14 May.
72. ‘World Summits and Information Societies: Missing Conceptual Tools for Policy’ (2003) Lecture presented at the University of Halle, nr. Leipzig, 13 May.
73. ‘World Summit on the Information Society: Another case of ‘technology push’?’ (2003) Lecture presented to the School of Communication, Simon Fraser University, Burnaby, 29 Apr.
74. **‘World Summits and Information Societies: Missing Conceptual Tools for Policy’ (2003) Keynote Speaker, ‘New Media and Everyday Life in Europe’ EMTel Conference, LSE, 23-26 Apr.**
75. ‘The Internet, Globalisation and Human Rights: Policy Challenges’ (2003) presentation at the ‘Global eDevelopment: Prospects of Sustainability’ seminar, Information Society Institute, University of Tampere, Finland, 14 Apr.
76. ‘Convergent Technologies and the Research Challenge’ (2003) presentation to the Postgraduate Training Event on Communications Policy, AHRB Centre for British Film and Television Studies, London, 13-14 Mar.
77. ‘A Proper Response to the Global Digital Divide Debate: The E-Commerce Example’ (2003) seminar presentation to DESTIN, LSE, London, 12 Feb.
78. ‘E-Marketplace Services: Do They Support a Global Marketplace’ (2003) Paper presented at the Association for Evolutionary Economics Conference, Washington DC, 3-5 Jan.
79. ‘The Internet and the Forces of Capitalism’ (2002) presentation to the Association of Internet Researchers (AoIR) International Conference Internet Research 3.0: NET/WORK/THEORY, Maastricht, the Netherlands 13-16 Oct.
80. **‘New Media and the Power of Networks’ (2002) Keynote Speaker, DSIAGE 2002 conference, ‘Decision Making and Decision Support in the Internet Age’, University College Cork, Ireland, 4-7 Jul.**

81. 'E-Marketplace Services – Do they support a global market?' (2002), presentation based on joint IDS/LSE research project funded by DFID, for the Information Systems Department Conference, 'IT and Globalisation', LSE, 22-23 Apr. (with Daniel Paré).
82. 'New Media, Global Networks and Human Rights' (2002) presentation at the International Workshop on 'Globalization, New Technologies, Inequalities and Social Well-being Development', Aalborg University, Denmark, 4-6 Apr.
83. 'Emergency Healthcare: An Emergent Knowledge-driven System' (2002) Paper presented to the CERIOECD/DfES/QCA/ESRC Forum 'Knowledge Management in Education and Learning, Oxford, 18-19 Mar.
84. 'New Media and Civil Society Organisations – What Can ICTs do?' (2002) presentation at The Centre for Civil Society Workshop, LSE, 20 Feb.
85. 'E-Marketplace Services – What do the e-hub sites deliver?' (2002) a joint LSE/IDS project funded by DFID, presentation for 3<sup>rd</sup> Socio-technical Lecture Series, Westminster Business School, 20 Feb.
86. 'Inside Tier II of the 'Digital Divide'' (2001) Paper with and presented by David C. Neice, prepared for the joint IAMCR-ICA Symposium on the Digital Divide, University of Texas, Austin, 17 Nov.
87. **'New Media and the Power of Networks' (2001) First Dixons Public Lecture and Inaugural Professorial Lecture, The London School of Economics and Political Science, 23 Oct.**
88. **'The Ambiguity of Social and Technical Systems' (2001) Invited Keynote, for the Critical Research Information Systems Workshop, University of Salford, 9-10 Jul.**
89. **'Uncertain Transitions: Five Internet Logics' presentation at the ICA Plenary: Regulating the Internet: What do we need to know?' (2001) International Communications Association Conference, Washington DC, 25 May.**
90. 'The Ambiguity of Social and Technical Systems' (2001) presentation at Symposium on 'Media Research: New Agendas, New Priorities', [Media@lse](#), 14 May.
91. 'Social Constituencies and Creative Knowledge Production' (2001) presentation at the CODE Conference, Queens' College, Cambridge, Panel on 'The Future of Knowledge', 4-6 Apr.
92. 'New Media and Society – A Core Issue' (2001) presentation at the New Media Workshop, LSE, 24 Apr.
93. 'Deep Structures of Knowledge Societies' (2001) presentation at a [Media@lse](#) seminar, LSE, Mar.
94. 'Electronic Commerce Analytical Models: A Translation to the Media Industry' (2001) presentation to a Workshop on 'E-merging Media', European Communication Council, at LSE, 20 Feb.
95. 'Uncertain Transitions: The old and the new media' (2001) presentation at a [Media@lse](#) seminar, LSE, 25 Jan.
96. 'Net Compatible: The Economic and Social Dynamics of Electronic Commerce' (2000) Paper presented at the EURO CPR (Communications Policy Research Conference), 26-28 Mar, Venice (with I Schenk and W. Edward Steinmueller)
97. 'New Regulation in Telecommunications: Evolving European Frameworks and the UK Experience' (2000), Paper prepared for a seminar on 'New Frontiers for Energy and Telecommunications Industries: Regulation, Technical Change and Business Strategies', Federal University of Rio de Janeiro, 19-20 Oct.
98. **'Linking Information, Networks and Knowledge for Development' (1999), Invited Keynote, conference on 'New IT and Social Inequality, Centre for International Development and Conflict Management, University of Maryland at College Park, 16 Feb.**
99. 'Towards "Digital Intermediation" in the Information Society' (1999) Paper presented at the Association for Evolutionary Economics Annual Meeting in conjunction with the Allied Social Sciences Association, New York, 3-5 Jan. (with R. Hawkins and W.E. Steinmueller).
100. 'Intellectual Property Rights, Competing Interests on the Internet (1998) Paper presented at the EURO CPR (Communication Policy Research) Conference, Venice, 15-17 Mar. (with W. E. Steinmueller).
101. 'Social and Economic Regulation: Mixing Oil and Water' (1998) Invited Lecture at the conference 'Paving the Way for a New Communication Policy', Studies on Media, Information and Telecommunication (SMIT), Vrije Universiteit Brussel, Brussels, 21 Oct.

102. **‘Media and Communication Research in Britain’ (1998) Invited Plenary Speech, IAMCR 21<sup>st</sup> Scientific Conference and General Assembly, University of Strathclyde, Glasgow 26-30 Jul.**
103. ‘Skills, Networks & IT Applications’ (1998) Lecture presented at the Institution of Electrical Engineers (IEE) Event Programme, Savoy Place, London, 28 May.
104. ‘Distributed Information + Networks ≠ Knowledge’ (1998) Invited Lecture, Institute of Development Studies, Sussex, 15 Jan.
105. ‘Information, Networks & Knowledge - New Research Challenges’ (1998) Invited Lecture at the Stockholm School of Economics, Stockholm, 27 Jan.
106. **‘The Scarcity - Abundance Dialectic: The Dynamics of Communication and Access’ (1997) Invited Keynote Speech for the Amsterdam School of Communication Research Opening Conference, 18-19 Sept.**
107. ‘Relocations of Competition in the Field of Information and Communication Technology’ (1997) Paper presented at the 1997 DRUID Summer Seminar, Skagen, Denmark, 1-3 Jun.
108. ‘Strategies for Maintaining Market Power in the Face of Rapidly Changing Technologies’ (1997) Paper presented at the Association for Evolutionary Economics Conference, New Orleans, 4-6 Jan.
109. **‘Controlling the Information Gateways: A Political Economy of Innovation for the ‘Knowledgeable Society’ (1996) The Third Smythe Memorial Lecture, School of Communication, Simon Fraser University, Burnaby, Jan.**
110. ‘The New Telecommunications: Policy and Regulatory Changes’ (1996) Paper presented at the Technical University of Denmark, Center for Tele-Information Course for Telecom Regulators, Borupgard, Denmark, Feb.
111. ‘Designing the Future, Social Needs, Research Policy and the Information Society’ (1995) presentation at OST (Observatoire des Sciences et des Techniques), SPRU and *Nature* International Colloquium ‘Research Policies for Europe’s Future: Strategies and Perspectives’, Paris, 28-29 Sept.
112. ‘The New Telecommunications in The Netherlands: Strategic Developments’ (1995) presentation at ‘Alternatieve Telecommunicatie Infrastructuren’ Conference, Amsterdam, 26-27 Sept.
113. ‘New Communication Markets: Regulating in the ‘Commodity’ Supply Environment’ (1995) Paper presented at the International Association of Mass Communication Research (IAMCR) International Conference, Slovenia, June.
114. ‘De Nouvelles Entreprises Publiques Un Nouveau Service Public’ (1995) Invited Speaker, Institut Francais des Sciences Administratives, Paris, May.
115. ‘Taking EC Telecommunications Law into the Future’ (1995) Invited Speaker, Academy of European Law Trier Conference, Nancy, France, Jun.
116. ‘Network Governance and Information Technologies’ (1995) Invited Seminar presentation to Faculty of Osgoode Hall Law School, Toronto, sponsored by Canadian Institute of Advanced Research (CIAR), Nov.
117. ‘Science Parks, Experimentation and Strategic Telecommunications Network Provision: The UK Experience’ (1994), Paper presented at the European Symposium on Research, London.
118. ‘Centres in Transition: SPRU Centre for Information and Communication Technologies’ (1994) Paper presented at the DORCISS Spring Workshop, ‘Centres in Transition’, May.
119. ‘From Telephony to Telematics Services: Equity, Efficiency and Regulatory Innovation’ (1993) Paper presented at the European Association for Evolutionary Political Economy (EAEPE) Conference, Barcelona, 28-30 Oct.
120. **‘From Telephony to Telematics: Equity, Efficiency and Regulatory Innovation’ (1993) PICT Charles Read Memorial Lecture, London, sponsored by ESRC and British Telecom, May.**
121. ‘Public Access, Private Networks and Closed Membership: Electronic Trading Networks in Europe’ (1992) Paper presented at Private Networks and Public Objectives Workshop, Columbia Institute for Tele-Information, Columbia Business School, New York, 25 Sept.
122. ‘Design Considerations for Global Information Networks’ (1992) Paper presented at the IAMCR International Conference, Communication Technology Policy Section, Brazil, Aug.

123. 'Broadband Telecommunication Strategies: Incremental Change in Europe' (1992) Paper presented at the 9th International Telecommunication Society Conference, Sophia Antipolis, 14-17 Jun.
124. 'Electronic Trading Networks and Interactivity: The Route Toward Competitive Advantage' (1992) Paper presented at the 9th International Telecommunication Society Conference, Sophia Antipolis, 14-17 Jun. (and M. Jenkins).
125. 'Research and Identification of Joint Projects on Telematics Services' (1992) two day workshop and presentations, Telematics Research Centre, Apeldoorn, The Netherlands, Apr. (with C. Freeman, L. Soete, J. Akkermans).
126. 'Global Networks: European Strategies & Policies' (1992) Invited Lecture, British Computer Society, Brighton, Jan.
127. 'Policy Research for a Global Networked Economy' and 'Prospects and Policies for Electronic Trading Networks' (1992) presentations at the University of Calgary, 30 Mar-1 Apr.
128. 'Electronic Trading Networks: EDI and Beyond' (1991) Paper presented at the IDATE 13th International Conference on Industrial Dynamics, Innovation Policies, and New Markets, Montpellier, France, Nov. (and M. Jenkins).
129. 'Old Roads and New Signposts: Trade and Policy Objectives in Telecommunication Standards' (1991) Paper presented at the 6th European Communications Policy Research Conference, Heemskerk, The Netherlands, 23-25 Oct. (and R. Hawkins).
130. 'Transnational Advanced Business Communication: European Perspectives' (1991) Paper presented at the 41st International Communications Association Conference, Chicago, 23-27 May.
131. 'Global Networking: Biases in Communication and Trade' (1991) CIRCIT Seminar, Melbourne Australia, September and 'Global Issues Introduction' in J. Sinclair (ed.) 'Broadcasting and its Regulation in the New Era', *Proceedings of a CIRCIT Conference*, Melbourne, Nov., pp. 5-6.
132. 'European Perspectives and Policies for Advanced Communication' (1991) presentation at the Centre for Advanced Study in Telecommunications Seminar, Ohio State University, May.
133. **'The West looks East: Reformulating Telecommunication Strategies' (1990) Paper for 'Telecommunications in a Common European House', Moscow, 17-21 Dec. and Closing Plenary Speaker.**
134. **'Plenary Opening Comments on a Paper by Professor J. Halloran' (1990)** and 'Telecommunication Policies for the Network Economy: New Control Structures and Democracy', Paper presented at the 17th International Association for Mass Communication Research Conference, Ljubljana, 23-31 Aug.
135. 'European Telecommunications in a Multilateral World: Implications of Liberalisation for the Evolution of Services' (1990) Paper presented at the International Communication Association Conference, Dublin, 25-29 Jun.
136. 'Restructuring Telecom's Tariffs: Policy Issues, Trends and Implications' (1989) Paper presented at the 4th Annual European Communications Policy Research Conference, Kronberg, 25-27 Oct.
137. 'Restructuring Telecommunications: New Patterns of Service Market Opportunities' (1989) presentation at Conference on 'Formulating Business Strategies to Capitalise on European Telecommunication Reforms', Institute for International Research, Brussels, 15-17 Jan.
138. 'Telecommunications Network-based Services: A Comparison of Regulatory Frameworks' (1988) Paper presented at the 7th International Telecommunications Society Conference, Boston, 29 Jun-1 Jul.
139. 'Telecommunications Network-based Services: Markets and Regulation in Transition' (1988) Paper presented at the International Association for Mass Communication Research Conference, Barcelona, 25-29 Jul.
140. 'The Political Economy of Research in the Telecommunication-based Service Sector' (1987) Paper presented at the joint *CCA/ICA/ARCQ* Session on Critical Perspectives on the New Technologies in International Communications, Kingston, Ontario, 22 May.
141. 'The Contradictory Economics of Intellectual Property' (1986) Paper presented at the John Logie Baird Conference on Copyright, Glasgow, Jun. (and W. H. Melody).

142. 'The Bypass Threat: Real or Imagined' (1985) Paper presented at the Canadian Communication Association Conference, Montreal, Jun.
143. 'Introduction to a Bibliography on Communication, Information and Culture' (1985) Paper presented at a Seminar on Technology and Culture, Institute for Latin America, Transnational Centre for the Study of Culture, Lima, Peru (with W. Melody and D. W. Smythe).
144. 'Contradictions in Canadian Information Policies' (1984) Paper presented at the XIV Conference of the International Association for Mass Communication Research, Prague, Aug.
145. 'Technology and Markets in the Information Sector: Policy Issues and Implications' (1982) Paper presented at the Canadian Communication Association Conference, Ottawa (and W. H. Melody and R. Samarajiva).
146. 'The 'Dominant Paradigm' Communication Research' (1981), Paper presented at the Canadian Communication Association Conference, Halifax, Nova Scotia.
147. 'A Critical Appraisal of Traditional Methods in Communication and Development Policy Research: The Need for a Contextual Analysis' (1980) Paper presented at the XXX Annual Meeting of the International Communication Association, Mexico, May.

## SELECTED RESEARCH DISSEMINATION

---

### Industry/User Community Presentations

#### Keynote/Plenary presentations in bold

148. 'Communication and Technology: What's New?' (2008) Paper presented at a LIRNEAsia Seminar, Colombo, Sri Lanka, 19 Jan.
149. 'Discovering the Undiscovered: The Power of Social Media' (2008) Invited Speaker, NATO Professional Communication Away-Day, NATO Headquarters, Brussels, 5 Jun.
150. 'Brainstorming a Research Agenda for UNESCO's Information and Communication Sector Programme' (2007) Workshop Chair and Organiser 20-21 Dec., UNESCO, Paris.
151. 'Communication and Technology: What's New?' (2007) Seminar Speaker, LSE-EDS Innovation Research Programme, LSE, London, Nov.
152. 'The New ICT Ecosystem in Europe: Theory, Government Policy and Regulation' (2007), Session Chair, Conference on 'The new ICT Ecosystem and the Way Forward for Europe' organised by Professor Martin Fransman, University of Edinburgh, for France Telecom, Paris, 14 Sept.
153. **'Crossing Boundaries with New Media' (2007) Introductory remarks for the panel on 'the responsibility of the media', United Nations General Assembly Third Informal Thematic Debate on 'Civilizations and the Challenge for Peace: Obstacles and Opportunities', Invitation by the President of the United Nations General Assembly, New York, 10-11 May. Translated and published in *Communication Management*, 2(4): 5-10, 2007.**
154. 'Interactive Digital Media – Trust, Risk and Crime' (2007) presentation to Advisory Council on Impact of New Media on Society (AIMS), Singapore, at the International Institute of Communication, London, 19 Apr.
155. 'Security Challenges of Networks: Cyber Trust and Cyber Crime' (2006) Paper for the EDS LSE Innovation Research Programme seminar on Security Challenges of Networks, London School of Economics, 13 Mar.
156. 'Understanding "Informational Developments": A Reflection on Key Research Issues' (2003) Contributor to report of the UNRISD Workshop, 26-27 Sept 2003, Geneva, UNRISD, 1 Feb. 2006 compiled by M. Powell.
157. 'Network Security in an Insecure World: Fighting Cyber Crime' (2005) presentation at LSE-EDS Conference on 'Innovation & Productivity: What we know, what we don't', EDS Innovation Conference, LSE, London 13 Dec.
158. UNESCO '21<sup>st</sup> Century Talks: Towards Knowledge Societies' (2005) presentation at UNESCO, Paris, 6 Dec. [http://portal.unesco.org/en/ev.php-URL\\_ID=31029&URL\\_DO=DO\\_TOPIC&URL\\_SECTION=201.html](http://portal.unesco.org/en/ev.php-URL_ID=31029&URL_DO=DO_TOPIC&URL_SECTION=201.html)

159. 'Challenges and Opportunities of e-Business in a Global World' (2005) Invited Presentation, WSA Content Forum 1: e-business, WSIS, 15 Nov., Tunis.
160. 'Framing WSIS in Global Governance Processes: Linkages and Follow-up' (2005) Panelist, ITeM Parallel Event, 17 Nov., Kram Centre, Tunis.
161. 'The WSIS and Global Community –Creativity, Culture and Local Capacity' (2005) Presentation at ITID, MIT Press & Berkman Center, Harvard Law School, WSIS Parallel Event, 18 Nov., Kram Centre, Tunis.
162. 'Communication Research in the Information Age: Launching the International Researchers' Charter' (2005) Chair, IAMCR Parallel Event, WSIS, 16 Nov., Kram Centre, Tunis.
163. 'Electronic Commerce in Developing Countries' (2005) World Bank Course Developer and Teacher (with W. H. Melody), Washington DC, 19 May  
<http://lirne.net/live/index2.php?option=content&task=view&id=92&pop=1&page=0> .
164. 'Educating and Raising Awareness of Governance Company-wide – Do Qualifications and Standards Accreditation Mean Anything or is There a Need for Third Party Auditing through an Independent Co-Regulatory Body?' (2005) Invited Session Chair, InfoSecurity Europe conference, Olympia London, 26-28 Apr.
165. New Initiatives Project on 'Ubiquitous Network Societies' (2005) Overall Workshop Chair, International Telecommunication Union, Geneva, 6-8 Apr. see  
<http://www.itu.int/osg/spu/ni/ubiquitous/workshop.html> and  
<http://www.itu.int/osg/spu/ni/ubiquitous/UNSCChairReport.pdf> .
166. 'Knowledge Societies for Whom?' (2004) Invited Video-Conference Lecture for 'KnowGlobal Interaction: Knowledge and Development, Brasilia, Ministry of Education, 6-7 Dec.
167. 'Cybertrust and Crime Prevention' (2004) Invited Paper delivered at the 'Vulnerable Societies: Research Implications' European Commission Workshop, Brussels 5 Jul.
168. 'The Nature of the Information Society: An Industrialized Country Perspective' (2003) presentation to the 'Visions of the Information Society' ITU Conference, Geneva, 18-25 Feb.
169. 'The Future of IPR' (2002) presentation to 'Beyond the Backlash: Where Next for the Digital Economy?' Demos/IPPR/iSociety/Forum for the Future joint workshop, RIBA, London, 7 Nov.
170. 'New Media and Civil Society Organisations – What Can ICTs do?' (2002) presentation at the Ethical Media workshop, 'Supporting Southern Voices Online: What role can digital technologies have in international development?', The Africa Centre, London, 17 Apr.
171. 'Mobilising the Information Society: Bridging Digital Divides' (2001) Paper prepared for the Conference on Economic and Social Cohesion in the Information Society, Ministry for Economic Affairs, Bruges 13-14 Sept.
172. 'Strengthening African Capacity in Knowledge Generation and Distribution: Towards effective "e-service" policies' (2001) presentation at the 'Refresher Study Programme for World Bank Education (Africa) Task Managers', Institute of Development Studies, Sussex, 24 Jun.
173. 'E-Commerce for Developing Countries: Impact, obstacles and policies' (2001) presentation at a Joint Seminar on Technological Leap and Sustainable Development, Lse-Lab and DaimlerChrysler Society and Technology Research Group, LSE, 5 Mar.
174. **'Information and Communication Technologies for Development: The Digital Divide and Gender Issues' (2000), Plenary Speech, Woman's Forum, Global Knowledge II Conference Forum, 6-10 Mar., Kuala Lumpur, Malaysia.**
175. 'Who will be the Trusted E-Brokers?' (1998) a presentation at the First NCR Knowledge Lab Annual Symposium, Canary Wharf, London, 16 Sept.
176. 'Universal Access Policies for the European Information Society' (1998) speech presented on the occasion of the 5<sup>th</sup> Anniversary of the Belgian Institute for Post and Telecommunications (BIPT), Brussels, 17 Jun..
177. 'Insurgent or Incumbent Leadership in a Global Market?' (1998) After dinner speech at the Andersen Consulting Roundtable 1, Savoy Hotel, London 18 May.
178. **'From Scarcity to Abundance and Back Again - The Information Society and Social Exclusion' (1997) Opening Plenary Paper, UK-Canada Colloquium, Keele University, 23-26 Nov.**

179. European Information Services Forum (1997) International Institute of Communication, Brussels, Jun. Invited Commentator.
180. 'Standards, Security and Encryption: Technical Innovations, Policy and Strategy' (1996), presented at OECD Workshops on the Economics of the Information Society, No. 3 Tokyo 4-5 Mar. organised by the Ministry of International Trade and Industry, Japan, Ministry of Posts and Telecommunications, Japan, and OECD, Paris.
181. 'The Relative Maturity of ICT Technical and Institutional Systems' (1995) presented at OECD Workshops on the Economics of the Information Society, No. 1, Toronto, 28-29 Jun.
182. 'The Competitive Prospects of the UK in Electronic Information Services' (1995) Invited Speaker, UK Publishers Association, London, Mar.
183. 'The Design of Policies for Networking Organisations' (1995) Invited Seminar presentation to business and government attendees sponsored by Canadian Institute of Advanced Research (CIAR), Nov.
184. 'Regulating the Information Highways: Challenges for the Future' (1994) Invited paper presented to the Suffolk BT Women's Network, BT Laboratories, Martlesham Heath, Ipswich, Jan.
185. 'Should Local and Long Distance Network Operators be Separated' (1993) paper prepared for 'Competition and Change in the Local Loop: Challenging the Last Bastion of Monopoly', IBC Conference, Cafe Royal, London, 23-24 Mar.
186. 'Strategic Issues in Telecommunications: Unbundling the Information Infrastructure' (1994) Invited background paper, prepared for the International Institute of Communication (IIC) Telecoms Forum, London, Jan.
187. 'Information Technology Business Opportunities in Eastern Europe and the Former Soviet Union' (1994) Chairperson, Opening and Closing Remarks for Conference Sponsored by the Adam Smith Institute, London 13-14 Oct.
