

Out-of-Hospital Care Models Programme for People Experiencing Homelessness

**Audit Tables for D2A Pathway 2 Specialist Homeless Services
Quarterly Monitoring Data Year 2 (2021/22) and Year 3 (2022/23)**

Audit Leads: M.L.Cornes@Salford.ac.uk & M.Tinelli@lse.ac.uk

List of Tables

Specialist D2A Pathway 2 (P2) Services: include residential (bedded) step-down facilities with on site support. This encompasses a wider range of provision including medical respite; independent living units; stepdown houses and health beds in homeless hostels. All the services reported here are 'housing-led' and most have some form of 'clinical in-reach.'

Positive Practice is Highlighted Using the Symbol = 

1. Number of Homeless Patients Referred/Accepted (% acceptance rate).
2. Average Case Load
3. Average length of time P2 Service Supports Patient.
4. Number of Patients Supported Longer than 6 weeks.
5. Number of Health/Therapy Assessments Completed
6. Percentage of Patients Receiving a Care Act, 2014 assessment.
7. Number of Patients Self Discharging from P2 Service
8. Number of People (re)Admitted to Hospital (elective planned admission)
9. Number of People (re)Admitted to Hospital (non-elective emergency admission)
10. Number of Patients Having One or More Visits to A&E
11. Sleeping Rough at Point of Admission to Hospital
12. Numbers Sleeping Rough After Discharge from ICT support

More information on specialist homeless out-of-hospital care services can be found at:

<https://www.local.gov.uk/sites/default/files/documents/68.7%20HICM%20HomelessnessAA.pdf>

Table 1: Specialist Homeless D2A Pathway 2 Services – Number of Patients Referred/Accepted.

Specialist D2A Pathway 2 (P2) Services: include residential (bedded) step-down facilities with on site support. This encompasses a wider range of provision including medical respite; independent living units; stepdown houses and health beds in homeless hostels. All the services reported here are ‘housing-led’ and most have some form of ‘clinical in-reach.’
