

Hello again from your Programme Support Team in the Department of Statistics!

We want to ensure that your experience at LSE is as rich and rewarding as it can possibly be, so here's a taster of what you can expect outside of the classroom when you join us.

### Department Events:

Here in the [Department of Statistics](#) we pride ourselves in providing a welcoming and friendly environment. Each year, we put on a mix of social events to help you get to know your fellow classmates, as well as staff in the Department.

[Recent events](#) have included a bowling trip and the Department's first ever Student Ball at the Waldorf Hilton Hotel! And our annual residential weekend to [Cumberland Lodge](#) in the majestic surroundings of [Windsor Great Park](#) is not to be missed.

### LSE Events:

LSE's wide-ranging [events](#) programme will enrich your student experience both academically and socially. Ranging from lunchtime music concerts to seminars from high profile speakers, there is something for everyone. As an LSE student, you will further benefit from priority tickets to public events!

### LSE Student's Union:

The [LSESU](#) is a vibrant hub for student life, supporting clubs, societies and student events on campus. Additionally, it provides gym membership, advice from professionals and a wide range of activities, from yoga and dance to fundraising events.

### Next steps:

- [Accept and confirm your offer](#) if you have not already done so.
- Attend a Graduate Admissions [Zoom Session](#) or [Live Chat](#) if you need to.

**CAS Number Queries:**

We have received a few questions about Confirmation of Acceptance of Studies (CAS) numbers so you may find the information [here](#) useful. If you need further help, please contact [Graduate Admissions](#).

Please do [contact us](#) with questions related to your programme or the Department of Statistics. You can find back issues of our email updates [here](#).

With best wishes,

The Postgraduate Programmes Support Team
