

Offer Holder News May 2024

Dear ,

Welcome to our May newsletter, with a focus on submitting required documents, entertainment at LSE and exploring London. There's also some important information about the finalised dates for on-campus enrolment, and from our Fees, Income and Credit Control Team about paying your fees.

If you have missed any of our previous issues, you can find them on this [page](#). If you haven't yet read the **visa special** we sent earlier this month, or if you didn't receive it and will need a visa to study, you can view it [here](#).

Over the next few months we will continue to send you updates via these newsletters to help you prepare for your arrival at LSE.

We hope that you enjoy this month's issue, and look forward to welcoming you later this year.

Kind regards,

Graduate Admissions Office

Submitting required documents

As an offer holder, you will be required to submit verifiable, secure, copies of your documents (unless you have already

provided them - see the important reminder below to make sure you understand what is required). The earlier you can supply these, the better - once you have your results (degree, English language etc), arrange for them to be issued to us without delay. Your [Graduate Applicant Portal \(GAP\)](#) shows which documents are currently outstanding. These must be submitted prior to your enrolment with us. Please remember that now is when everyone is sending us their documents. When we receive your document, it joins the back of a queue. We will process your documents, but NOT immediately. To see where we are with our processing of documents, please go to our [current processing times page](#).

Sending documents digitally

We strongly recommend that you send your documents either via a secure verification portal, by asking your previous institution to send them directly to us, or in a secure digitally signed format. Please ensure documents are 2MB or smaller.

Transcripts sent via a secure verification portal such as HEAR or Digitary, to graduate.documents@lse.ac.uk will be treated as original/official.

Scanned copies of documents sent directly to the above email **from your institution** will also be treated as verified/official, if they have been sent by their central administration service and include the name and position of the relevant staff member.

Please remember that scanned/electronic copies of documents submitted **directly by you**, are **not** "verifiable" or "official" **unless** they contain security features that allow us to verify them.

Sending documents by post

We will no longer accept posted documents except in exceptional circumstances. If you are unable to send (or get your previous institution to send) electronic versions, please email us at graduate.documents@lse.ac.uk to explain the situation. We will look individually at your case, and will approach your previous institution to verify that they have no means of providing verifiable electronic documents before we will accept hard copies.

Important reminder: The documents you supply when you submit your application are not considered original or certified. This is because they have been provided by YOU and not the issuing authority. This is why once you receive an offer, we ask for official or certified copies, so we can see that the documents that the selectors used to make their decision are
